EPA I.D. NO. MOD000818963

Dear Mr. Patterson:

I have made the tentative decision to issue a Resource Conservation and Recovery Act (RCRA) permit to McDonnell Douglas-Tract I. Enclosed for your information is a copy of the Public Notice, Draft Permit and Fact Sheet on this decision.

You are invited to submit written comments and/or request a public hearing during the public comment period which begins on April 16, 1984. The public notice was published in the St. Louis Dispatch and broadcast over radio stations KMOX and KHTR in St. Louis on April 16, 1984. Procedures for public comment can be found in 40 CFR 124.11 - 124.13. The public comment period expires on June 1, 1984.

In accordance with 40 CFR 124.15 the Regional Administrator shall issue a final permit decision. As you are aware, the State of Missouri has not received Phase II Interim Authorization or Final Authorization to run the RCRA program in lieu of the Environmental Protection Agency (EPA). Therefore, both EPA and the Missouri Department of Natural Resources (MDNR) will make a final permit decision. The MDNR permit decision will be made at a later date.

We appreciate your assistance in providing information during the permit review process. Any questions on this letter should be directed to Stephen Busch at (816) 374-6531.

Sincerely yours,

David A. Wagoner  
Director, Air and Waste Management Division
